## **Said A. Korany, MD, DAOM, AP, DIPL AC. (NCCAOM)**

---

### **Summary of qualifications**

Dr. Korany is a medical doctor graduated and trained in Alexandria University in Egypt. Studied Oriental Medicine and Acupuncture at Atlantic Institute of Oriental Medicine (ATOM). Diplomat in Acupuncture of the NCCAOM. Also Diplomat of the college of Acupuncture and Neuromuscular therapy, Fellow of the American Association of Integrative medicine. Licensed in the State of Florida and the State of Connecticut. Integrated the custom of the Traditional Chinese Medicine and natural Medicine with conventional or western medicine.

Incorporated to blend the natural healing force with the western healing integrity. Also implicate non-chemical Detox in treating addictions and drug abuse. Since I started to incorporate ozone therapy in my practice, for pain and other ailments, I found that I can provide more healing elements and help more patients and get unusual better results.
